Our brothers and sisters in the Gulf Coast urgently need our help. While many areas have been hit hard by this terrible storm, some of the poorest neighborhoods are seeing

the most damage because they're located in low-lying flood areas.

We are working around the clock with local clergy members, organizations and churches to distribute funds and gift cards to help families buy supplies, but more is needed. Help us bring much-needed supplies-and compassionate support-to people in the Gulf Coast.

SUNDAY SCHOOL NEWS

Our Sunday School worked diligently exploring the "Fruits of the Holy Spirit". We created a craft to remind them of each one.

The children were very adept and articulate about their perceptions of things like faith, hope and the Holy Spirit. One boy said, "I believe the Holy Spirit is Jesus after he died." The other children commented that "faith is what guides us. It is all around us. Faith is hope!" This wonderful lesson will be continued for the next several weeks, as we delve further into each gift. We hope that this will also help us to reexamine our own knowledge of the Fruits of the Holy Spirit, and discuss it with our children. If you want to make the most of the last few weeks of summer and experience the best stay-cation of your life, take some time to see the world God gave us through eyes of a child! We are

right in the middle of Pentecost and the timing is "ripe" to reinforce our connection with the Holy Spirit! We will be creating a Baptismal Banner this Sunday to welcome our newest Church family member, so please join us for this special event!

Blessings, Cathy Biordi and Jackie Powers

Stay cool. Come to Sunday School!
